Dear Jesse,

Lineage Technologies, Inc. (dba Lineage, the "Company"), is pleased to offer you full-time employment in the exempt position of Full Stack Software Engineer, effective as of January 1, 2026, in which you will be responsible for such duties as are normally associated with such position or as otherwise determined by your supervisor. You will report to Josh Tarkington, Director of Technology, or such other individual as the Company may designate, and at a location or remote-working arrangement as the Company may designate, except for such travel as may be necessary to fulfill your responsibilities. In the course of your employment with the Company, you will be subject to and required to comply with all company policies, and applicable laws and regulations.

You will be paid a base salary at the monthly rate of $250,000 (subject to required tax withholding and other authorized deductions). Your base salary will be payable in accordance with the Company's standard payroll policies and subject to adjustment pursuant to the Company's policies as in effect from time to time.

In connection with entering into this offer letter, following the commencement of your employment with the Company, the Company will recommend to the Board of Directors that it grant you an option to purchase 33,258 shares of the Company's common stock (the "Stock Option") at a per-share exercise price equal to the fair market value of a share of the Company's common stock on the date of grant (as determined by the Board of Directors in its sole discretion), provided that you are employed by the Company on the date of grant. Subject to your continued employment with the Company through the applicable vesting date, 25% of the total number of shares subject to the Stock Option will vest on the twelve-month anniversary of the Effective Date (the "Vesting Commencement Date") and 1/48th of the total number of shares initially subject to the Stock Option shall vest on each monthly anniversary thereafter, such that 100% of the shares initially subject to the Stock Option shall be vested by the fourth anniversary of the Vesting Commencement Date. The Stock Option will otherwise be subject to the terms, vesting schedules and conditions of the Company's 2023 Equity Incentive Plan (the "Plan") and a stock option agreement to be entered into between you and the Company.

You will be eligible to participate in all of the employee benefits and benefit plans that the Company generally makes available to its regular full time employees as applicable.

You will be eligible for paid time off, vacation and/or paid sick leave in accordance with applicable law and Company policy.

As a condition of employment, you will be required (1) to sign and comply with an Employee Proprietary Information and Inventions Assignment Agreement, a copy of which is attached hereto as Exhibit A, which, among other things, prohibits unauthorized use or disclosure of Company proprietary information;

(2) to sign a satisfactory I-9 Immigration form and provide sufficient documentation establishing your employment eligibility in the United States of America; and (3) to provide satisfactory proof of your identity as required by U.S. law. A further condition of your employment is satisfactory completion of a credit and/or criminal background check.

By signing below, you represent that your performance of services to the Company will not violate any duty which you may have to any other person or entity (such as a present or former employer), including obligations concerning providing services (whether or not competitive) to others, confidentiality of proprietary information and assignment of inventions, ideas, patents or copyrights, and you agree that you will not do anything in the performance of services hereunder that would violate any such duty.

Notwithstanding any of the above, your employment with the Company is "at will." This means that it is not for any specified period of time and can be terminated by you or by the Company at any time, with or without advance notice, and for any or no particular reason or cause. It also means that your job duties, title and responsibility and reporting level, work schedule, compensation and benefits, as well as the Company's personnel policies and procedures, may be changed with prospective effect, with or without notice, at any time in the sole discretion of the Company.

If you accept this offer, this letter and the Employee Proprietary Information and Inventions Assignment Agreement shall constitute the complete agreement between you and Company with respect to the terms and conditions of your employment. Any prior or contemporaneous representations (whether oral or written) not contained in this letter or the Employee Proprietary Information and Inventions Assignment Agreement or contrary to those contained in this letter or the Employee Proprietary Information and Inventions Assignment Agreement, that may have been made to you are expressly cancelled and superseded by this offer.

This offer letter shall be interpreted and construed in accordance with the laws of the State of South Carolina without regard to any conflicts of laws principles. While other terms and conditions of your employment may change in the future, the at-will nature of your employment may not be changed, except in a subsequent letter or written agreement, signed by you and the Chief Executive Officer of the Company or a duly authorized member of the Board of Directors.

LINEAGE TECHNOLOGIES, INC.

EMPLOYEE PROPRIETARY INFORMATION AND INVENTIONS ASSIGNMENT AGREEMENT

In consideration and as a condition of my employment by Lineage Technologies, Inc., a Delaware corporation (together with any of its subsidiaries or parent companies, and any of their successors or assigns collectively, the "Company"), and my receipt of the compensation paid to me by the Company in the context of that employment, issuance to me of an option to purchase shares of common stock of the Company, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, effective as of the date of my signature below (the "Effective Date"), I, the undersigned, agree as follows:

1. Proprietary Information. During the term of my employment, I may receive and otherwise be exposed, directly or indirectly, to confidential and proprietary information of the Company whether in graphic, written, electronic or oral form, including without limitation information relating to the Company's business, strategies, designs, products, services and technologies and any derivatives, improvements and enhancements relating to any of the foregoing, or to the Company's suppliers, customers or business partners (collectively "Proprietary Information"). Proprietary Information may be identified at the time of disclosure as confidential or proprietary or information which by its context would reasonably be deemed to be confidential or proprietary. "Proprietary Information" may also include without limitation (a)(i) unpublished patent disclosures and patent applications and other filings, know-how, trade secrets, works of authorship and other intellectual property, as well as any information regarding ideas, Inventions (as defined in Section 5), technology, and processes, including without limitation assays, sketches, schematics, techniques, drawings, designs, descriptions, specifications and technical documentation, (ii) specifications, protocols, models, designs, equipment, engineering, algorithms, software programs, software source documents, formulae, (iii) information concerning or resulting from any research and development or other project, including without limitation, , experimental work, clinical and product development plans, regulatory compliance information, and research, development and regulatory strategies, and (iv) business and financial information, including without limitation purchasing, procurement, manufacturing, customer lists, information relating to investors, employees, business and contractual relationships, business forecasts, sales and merchandising, business and marketing plans, product plans, and business strategies, including without limitation information the Company provides regarding third parties, such as, but not limited to, suppliers, customers, employees, investors, or vendors; and (b) any other information, to the extent such information contains, reflects or is based upon any of the foregoing Proprietary Information. The Proprietary Information may also include information of a third party that is disclosed to me by the Company or such third party at the Company's direction.

2. Obligations of Non-Use and Nondisclosure. I acknowledge the confidential and secret character of the Proprietary Information, and agree that the Proprietary Information is the sole, exclusive and valuable property of the Company. Accordingly, I agree not to use the Proprietary Information except in the performance of my authorized duties as an employee of the

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

Company, and not to disclose all or any part of the Proprietary Information in any form to any third party, either during or after the term of my employment, without the prior written consent of the Company on a case-by-case basis. Upon termination of my employment, I agree to cease using and to return to the Company all whole and partial copies and derivatives of the Proprietary Information, whether in my possession or under my direct or indirect control, provided that I am entitled to retain my personal copies of (a) my compensation records, (b) materials distributed to stockholders generally, and (c) this Employee Proprietary Information and Inventions Assignment Agreement (this "Agreement"). I understand that my obligations of nondisclosure with respect to Proprietary Information shall not apply to information that I can establish by competent proof (x) was actually in the public domain at the time of disclosure or enters the public domain following disclosure other than as a result of a breach of this Agreement, (y) is already in my possession without breach of any obligations of confidentiality at the time of disclosure by the Company as shown by my files and records immediately prior to the time of disclosure, or (z) is obtained by me from a third party not under confidentiality obligations and without a breach of any obligations of confidentiality. If I become compelled by law, regulation (including without limitation the rules of any applicable securities exchange), court order, or other governmental authority to disclose the Proprietary Information, I shall, to the extent possible and permissible under applicable law, first give the Company prompt notice. I agree to cooperate reasonably with the Company in any proceeding to obtain a protective order or other remedy. If such protective order or other remedy is not obtained, I shall only disclose that portion of such Proprietary Information required to be disclosed, in the opinion of my legal counsel. I shall request that confidential treatment be accorded such Proprietary Information, where available. Compulsory disclosures made pursuant to this section shall not relieve me of my obligations of confidentiality and non-use with respect to non-compulsory disclosures. I understand that nothing herein is intended to or shall prevent me from communicating directly with, cooperating with, or providing information to, any federal, state or local government regulator, including, but not limited to, the U.S. Securities and Exchange Commission, the U.S. Commodity Futures Trading Commission, or the U.S. Department of Justice. I shall promptly notify my supervisor or any officer of the Company if I learn of any possible unauthorized use or disclosure of Proprietary Information and shall cooperate fully with the Company to enforce its rights in such information.

3. Defend Trade Secrets Act Notice of Immunity Rights. I acknowledge that the Company has provided me notice of my immunity rights under the Defend Trade Secrets Act, which states: "(1) An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal; and (2) an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose a trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual (A) files any document containing the trade secret under seal, and (B) does not disclose a trade secret, except pursuant to court order."

4. Property of the Company. I acknowledge and agree that all notes, memoranda, reports, drawings, blueprints, manuals, materials, data, emails and other papers and records of every kind, or other tangible or intangible materials which shall come into my possession in the course of my employment with the Company, relating to any Proprietary Information, shall be the sole and exclusive

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

property of the Company and I hereby assign any rights or interests I may obtain in any of the foregoing to my employer. I agree to surrender this property to my employer upon termination of my employment, or at any time upon request by my employer. I further agree that any property situated on my employer's data systems or on my employer's premises and owned by my employer, including without limitation electronic storage media, filing cabinets or other work areas, is subject to inspection by my employer at any time with or without notice.

5. Inventions.

5.1 Disclosure and Assignment of Inventions. For purposes of this Agreement, an "Invention" shall mean any idea, invention or work of authorship, including, without limitation, any documentation, formula, design, device, code, method, software, technique, process, discovery, concept, improvement, enhancement, development, machine or contribution, in each case whether or not patentable or copyrightable and for purposes of this Section 5, "Company" shall mean the Company entity that is my employer as of the Effective Date or, if I am subsequently employed by any subsidiary or parent of such Company entity, the applicable subsidiary or parent by which I am employed. I will disclose all Inventions promptly in writing to an officer of the Company or to attorneys of the Company in accordance with the Company's policies and procedures. I will, and hereby do, assign to the Company, without requirement of further writing, without royalty or any other further consideration, my entire right, title and interest throughout the world in and to all Inventions created, conceived, made, developed, and/or reduced to practice by me in the course of my employment by the Company and all intellectual property rights therein. I hereby waive, and agree to waive, any moral rights I may have in any copyrightable work I create or have created on behalf of the Company. I also hereby agree, that for a period of one year after my employment with the Company, I shall disclose to the Company any Inventions that I create, conceive, make, develop, reduce to practice or work on that relate to the work I performed for the Company. The Company agrees that it will use commercially reasonable measures to keep Inventions disclosed to it pursuant to this Section 5.1 that do not constitute Inventions to be owned by the Company in confidence and shall not use any Inventions for its own advantage, unless in either case those Inventions are assigned or assignable to the Company pursuant to this Section 5.1 or otherwise.

5.2 Certain Exemptions. The obligations to assign Inventions set forth in Section 5.1 apply with respect to all Inventions (a) whether or not such Inventions are conceived, made, developed or worked on by me during my regular hours of employment with the Company; (b) whether or not the Invention was made at the suggestion of the Company; (c) whether or not the Invention was reduced to drawings, written description, documentation, models or other tangible form; and (d) whether or not the Invention is related to the general line of business engaged in by the Company, but do not apply to Inventions that (x) I develop entirely on my own time or after the date of this Agreement without using the Company's equipment, supplies, facilities or Proprietary Information; (y) do not relate to the Company's business, or actual or demonstrably anticipated research or development of the Company at the time of conception or reduction to practice of the Invention; and (z) do not result from and are not related to any work performed by me for the Company. I further understand that, to the extent this Agreement shall be construed in accordance with the laws of any state which precludes a requirement in an employee agreement to assign certain classes of inventions made by an employee, Section 5.1 shall

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

be interpreted not to apply to any Invention which a court rules and/or the Company agrees falls within such classes.

5.3 Records. I will make and maintain adequate and current written records of all Inventions covered by Section 5.1. These records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, notebooks and any other format. These records shall be and remain the property of the Company at all times and shall be made available to the Company at all times.

5.4 Patents and Other Rights. I agree to assist the Company in obtaining, maintaining and enforcing patents, invention assignments and copyright assignments, and other proprietary rights in connection with any Invention covered by Section 5.1, and will otherwise assist the Company as reasonably required by the Company to perfect in the Company the rights, title and other interests in my work product granted to the Company under this Agreement (both in the United States and foreign countries). I further agree that my obligations under this Section 5.4 shall continue beyond the termination of my employment with the Company, but if I am requested by the Company to render such assistance after the termination of such employment, I shall be entitled to a fair and reasonable rate of compensation for such assistance, and to reimbursement of any expenses incurred at the request of the Company relating to such assistance. If the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified above, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section 5.4 with the same legal force and effect as if executed by me.

5.5 Prior Contracts and Inventions; Information Belonging to Third Parties. I represent and warrant that, except as set forth on Exhibit A, I am not required, and I have not been required during the course of work for the Company or its predecessors, to assign Inventions under any other contracts that are now or were previously in existence between me and any other person or entity. I further represent that (a) I am not obligated under any consulting, employment or other agreement that would affect the Company's rights or my duties under this Agreement, and I shall not enter into any such agreement or obligation during the period of my employment by the Company, (b) there is no action, investigation, or proceeding pending or threatened, or any basis therefor known to me involving my prior employment or any consultancy or the use of any information or techniques alleged to be proprietary to any former employer, and (c) the performance of my duties as an employee of the Company do not and will not breach, or constitute a default under any agreement to which I am bound, including any agreement limiting the use or disclosure of proprietary information acquired in confidence prior to engagement by the Company or if applicable, any agreement to refrain from competing, directly or indirectly, with the business of such previous employer or any other party or to refrain from soliciting employees, customers or suppliers of such previous employer or other party. I will not, in connection with my employment by the Company, use or disclose to the Company any confidential, trade secret or other proprietary information of any previous employer or other person to which I am not lawfully entitled. As a matter of record, I attach as Exhibit A a brief description of all Inventions made or conceived by me prior to my employment with the Company which I desire to be excluded from this Agreement ("Background Technology"). If full disclosure of any Background Technology would breach

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

or constitute a default under any agreement to which I am bound, including any agreement limiting the use or disclosure of proprietary information acquired in confidence prior to engagement by the Company, I understand that I am to describe such Background Technology in Exhibit A at the most specific level possible without violating any such prior agreement. Without limiting my obligations or representations under this Section 5.5, if I use (i) any Background Technology or (ii) any other Inventions in which I have an interest and that are excluded from the assignment of Inventions set forth in Section 5.1 (collectively (i) and (ii), the "Excluded Technology") in the course of my employment or incorporate any Excluded Technology in any product, service or other offering of the Company, I hereby grant the Company a non-exclusive, royalty-free, perpetual and irrevocable, worldwide right to use and sublicense the use of Excluded Technology for the purpose of developing, marketing, selling and supporting Company technology, products and services, either directly or through multiple tiers of distribution, but not for the purpose of marketing Excluded Technology separately from Company products or services.

5.6 Works Made for Hire. I acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of my employment with the Company and which are eligible for copyright protection are "works made for hire" as that term is defined in the United States Copyright Act (17 U.S.C., Section 101).

6. Restrictive Covenants. I agree to fully comply with the covenants set forth in this Section 6 (the "Restrictive Covenants"). I further acknowledge and agree that the Restrictive Covenants are reasonable and necessary to protect the Company's legitimate business interests, including its Proprietary Information and goodwill.

6.1 Non-Competition. During the term of my employment with the Company, I will not, directly or indirectly, for my own benefit or for the benefit of any other individual or entity other than the Company: (a) operate, conduct, or engage in, or prepare to operate, conduct, or engage in the Business; (b) own, finance, or invest in (except as the holder of not more than one percent of the outstanding stock of a publicly-held company) any Business, or (c) participate in, render services to, or assist any person or entity that engages in or is preparing to engage in the Business in any capacity (whether as an employee, consultant, contractor, partner, officer, director, or otherwise) (x) which involves the same or similar types of services I performed for the Company at any time during the last two years of my employment with the Company or (y) in which I could reasonably be expected to use or disclose Proprietary Information.

6.2 Non-Solicitation of Company Personnel. During the term of my employment with the Company, and for a period of one year immediately following the termination of such employment for any reason (the "Non-Solicitation Restricted Period"), I will not, directly or indirectly, for my own benefit or for the benefit of any other individual or entity: (a) employ or hire any Company Personnel in any capacity (whether as an employee, contractor, consultant or otherwise); (b) solicit or attempt to solicit for employment or hire any Company Personnel in any capacity; (c) entice or induce any Company Personnel to leave his or her or their employment with the Company; or (d) otherwise negatively interfere with the Company's relationship with any Company Personnel. Notwithstanding the foregoing, a general solicitation or advertisement for job opportunities that I may publish without targeting any Company Personnel shall not be considered a violation of Section 6.2(b).

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

6.3 Non-Solicitation of Company Customer. During the Non-Solicitation Restricted Period, I will not, directly or indirectly, for my own benefit or for the benefit of any other individual or entity: (a) solicit business from, or offer to provide products or services that are similar to any product or service provided or that could be provided by the Company or that are otherwise competitive with the Business to, any Company Customer; (b) cause or encourage any Company Customer to reduce or cease doing business with the Company, or (c) otherwise negatively interfere with the Company's relationships with any Company Customer.

6.4 Tolling Period. Without limiting the Company's ability to seek other remedies available in law or equity, if I violate any of the provisions of Sections 6.2 or 6.3, the Non-Solicitation Restricted Period shall be extended by one day for each day that I am in violation of such provisions, up to a maximum extension equal to the length of the Non-Solicitation Restricted Period, so as to give the Company the full benefit of the bargained-for length of forbearance.

6.5 Interpretation. If any restriction set forth in the Restrictive Covenants is found by any court of competent jurisdiction to be unenforceable because it extends for too long a period of time or over too great a range of activities or in too broad a geographic area, it shall be interpreted to extend only over the maximum period of time, range of activities or geographic area as to which it may be enforceable.

6.6 Waiver. At any time, the Company may in its sole discretion elect to waive any or part of the Restrictive Covenants, provided any such waiver is expressly agreed to in writing by an executive officer of the Company, or, if I am an executive officer of the Company, by the Board of Directors of the Company.

6.7 Definitions. As used in the Restrictive Covenants:

(a) The term "Business" means any business or part thereof that develops, manufactures, markets, licenses, sells or provides any product or service that competes with any product or service developed, manufactured, marketed, licensed, sold or provided, or planned to be developed, manufactured, marketed, licensed, sold or provided, by the Company, in each case at any time during my employment with the Company.

(b) The term "Company Customer" means any individual or entity who (i) is, or was at any time during the one year period prior to the termination of my employment with the Company, a customer, supplier, or vendor of the Company of whom I learned, with whom I had business contact or about whom I obtained Proprietary Information at any time during my employment with the Company, or (ii) is a prospective customer, supplier, or vendor of the Company of whom I learned, with whom I had business contact, or about whom I obtained Proprietary Information as part of a solicitation of business on behalf of the Company at any time during the one year period prior to my termination of employment with the Company.

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

(c) The term "Company Personnel" means any individual or entity who is or was at any time during the six-month period prior to my solicitation or other activity prohibited by Section 6.2, employed or engaged (whether as an employee, consultant, independent contractor or in any other capacity) by the Company.

7. Notification to Other Parties. In the event of termination of my employment with the Company for any reason, I hereby consent to notification by the Company to my new employer or other party for whom I work about my rights and obligations under this Agreement.

8. Employment at Will. I understand and agree that my employment with the Company is at will. Accordingly, my employment can be terminated at any time, without cause or notice, at my option or the Company's option. The at-will nature of my employment also means that I can be transferred or demoted, and my job title, compensation, benefits and other terms and conditions of employment can be reduced, at any time with or without cause. I acknowledge that such changes shall not affect the enforceability of the Restrictive Covenants or other terms of this Agreement. This atwill status of my employment relationship with the Company shall remain in full force and effect throughout my employment with the Company, and the Restrictive Covenants shall remain in full force and effect pursuant to their terms. The at-will status of my employment can be modified only in a written agreement that expressly alters such status and which is signed by both an authorized officer of the Company and me.

9. Miscellaneous.

9.1 The parties' rights and obligations under this Agreement will bind and inure to the benefit of their respective successors, heirs, executors, and administrators and permitted assigns. I will not assign this Agreement or my obligations hereunder without the prior written consent of the Company, which consent may be withheld in the Company's sole discretion, and any such purported assignment without consent shall be null and void from the beginning. I agree that the Company may freely assign or otherwise transfer this Agreement to any affiliate or successor in interest (whether by way of merger, sale, acquisition or corporate re-organization or any substantially similar process) of the Company.

9.2 This Agreement constitutes the parties' final, exclusive and complete understanding and agreement with respect to the subject matter hereof, and supersedes all prior and contemporaneous understandings and agreements, whether oral or written, relating to its subject matter.

9.3 Any subsequent change or changes in my duties, obligations, rights or compensation will not affect the validity or scope of this Agreement. This Agreement may not be waived, modified or amended unless mutually agreed upon in writing by both parties. No delay or omission by the Company in exercising any right under this Agreement will operate as a waiver of that or any other right. A waiver or consent given by the Company on any one occasion is effective only in that instance and will not be construed as a bar to or waiver of any right on any other occasion.

9.4 If any provision of this Agreement is found by a proper authority to be

Docusign Envelope ID: 6CCE4737-A208-4332-894F-1EACB95A7D46

unenforceable or invalid such unenforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole and in such event, such provision shall be changed and interpreted so as to best accomplish the objectives of such unenforceable or invalid provision within the limits of applicable law or applicable court decisions and the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

9.5 I acknowledge that the Company will suffer substantial damages not readily ascertainable or compensable in terms of money in the event of the breach of any of my obligations under this Agreement. I therefore agree that the Company shall be entitled (without limitation of any other rights or remedies otherwise available to the Company) to obtain an injunction from any court of competent jurisdiction prohibiting the continuance or recurrence of any breach of this Agreement.

9.6 The rights and obligations of the parties under this Agreement shall be governed in all respects by the laws of the State of South Carolina exclusively, without reference to any conflict of laws rule that would result in the application of the laws of any other jurisdiction. The parties agree that all disputes arising under this Agreement shall be adjudicated in the state and federal courts having jurisdiction over disputes arising in Charleston County, and I hereby agree to consent to the personal jurisdiction of such court. The Company and I each hereby irrevocably waive any right to a trial by jury in any action, suit or other legal proceeding arising under or relating to any provision of this Agreement.

9.7 Any notices required or permitted hereunder shall be given to the appropriate party at the address specified on the signature page to this Agreement or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery, or sent by certified or registered mail, postage prepaid, three days after the date of mailing.

9.8 Except as otherwise provided herein, the provisions of this Agreement shall survive the termination of my employment with the Company for any reason.

9.9 This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. A facsimile, PDF (or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or any other type of copy of an executed version of this Agreement signed by a party is binding upon the signing party to the same extent as the original of the signed agreement.

I ACKNOWLEDGE THAT I HAVE THE RIGHT TO CONSULT WITH INDEPENDENT LEGAL COUNSEL PRIOR TO SIGNING THIS AGREEMENT AND HAVE HAD A REASONABLE OPPORTUNITY TO DO SO, AND THAT I EITHER HAVE CONSULTED, OR ON MY OWN VOLITION CHOSEN NOT TO CONSULT, WITH SUCH COUNSEL. I FURTHER ACKNOWLEDGE THAT I HAVE READ THIS AGREEMENT CAREFULLY AND I UNDERSTAND AND ACCEPT THE OBLIGATIONS WHICH IT IMPOSES UPON ME WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE
